Criteria for Solo Watch:

- Clients purchasing the Solo Watch must live in an area with good Telstra network coverage, have a mobile phone and be comfortable using touchscreen technology.
- They need reasonable dexterity in their hands and good cognitive ability to raise the alert on the watch.
- The watch needs to be charged daily for 3 – 4 hours.
- Clients with a high risk of falls or chronic conditions, and clients who live further than 1km from a Telstra tower will need the home alarm to ensure they can access the MePACS Service while the watch is charging.
